Item # 800030 (24x36), Tacky Mat® 800030

Get maximum protection with the Tacky Mat® 800030 series for foot borne contamination. Each sheet has a strong adhesive coating that removes dirt on contact. The 800030 series provides the most economical way to meet cleanroom needs. The Tacky Mat® 800030 series protects sanitary conditions in cleanroom areas. Each mat consists of 30 disposable sheets. When the top sheet becomes soiled, simply peel off to expose a new, clean surface. Tacky Mat® 800030 installs in seconds and can last up to
